OVEN AREA JUDGE

Judge: _____ Competitor: _____

Judging Criteria Guidance

Judge each competitor against themselves on a scale of 1–5 (hundredths place decimal usage is encouraged, for ex: 3.85) using the following guidelines: 5 is excellent, 2.5 is average, 1 is poor.

- **Competitor Skills:** This is a visual assessment of the competitor's skills and professionalism. Does the competitor demonstrate competence in their execution of making and baking their pizzas?
- **Tidiness & Orderliness:** This is a visual evaluation of the tidiness and orderliness of the competitor's station during their allotted competition time.
- **Time:** This is a time evaluation of the competitor. Did the competitor complete (make, bake, finish) their pizzas during their allotted competition time?
- **Clean Station (end):** This is a visual evaluation of the cleanliness of the competitor's station at the end/finish of their competition time. Did the competitor leave the oven station clean and tidy, or was it a mess?

*Note: Please score 1–5 using the hundredths place (for ex: 3.79, 2.53, 4.32)
